

# AURO D1228

## Performer Pack

PRODUCT INFORMATION

2014

Samson's AURO D1228 Performer Pack offers tremendous value in a single box, giving performers everything they need to establish a professional PA setup. Encompassing the key elements of power, portability and exceptional sound, the AURO D1228 features two AURO D208 2-Way Active Loudspeakers, an AURO D1200 Active Subwoofer, a pair of LS40 Speaker Stands and four Tourtek XLR Cables (2 x 10', 2 x 20'). It's the ideal performance package for DJs, bands, singer-songwriters and other live sound reinforcement applications in smaller venues, such as house parties and intimate concerts.
